A Medal for the Birth of Prince Henry

To commemorate the birth of Prince Henry, the second son of the Prince of Wales, a Nickel Bonded Steel medal has been struck by the Lombardo Mint, and is available from Birkdale Coins of Canada. The obverse shows the baby prince in a cradle. The cradle is decorated with panels bearing the heraldic flowers of the British Isles. The legend is IN CELEBRATION OF THE ROYAL BIRTH 15 SEPTEMBER 1984. The reverse bears the initials of the Prince and Princess of Wales, superimposed on a spray of roses. The legend is T.R.H. THE PRINCE AND PRINCESS OF WALES. The medal was designed by Jaroslav Huta, who designed the head of the Queen on the currency postage stamps.

Specimens in Nickel Bonded Steel are available for \$3.00 in a plastic envelope and \$6.95 in a satin-lined velvet case. Specimens in sterling silver are available at \$24.95, and in 24-carat gold at \$235. A set of three may be obtained for \$260. All prices are postpaid, but registration is \$2.50 extra. Orders should be sent to Birkdale Coins of Canada, Ltd., Attention Mr. Peter Beck, 2 Bloor St. W. Suite 100-415, Toronto, Ont. M4W 3E2.
